Civil Action No. 7:11-cv-212-FL

**ORDER FOR STAY OF DISCOVERY DUE TO  
CASE STATUS AND ANTICIPATED FORMATION OF MDL**

This matter comes before this Court upon the Joint Motion of Plaintiff and Defendants for a stay of discovery due to the status of this case and the anticipated formation of an Actos multidistrict litigation ("MDL").

Having examined the Joint Motion of the parties, the Court now finds that for good cause shown, the Motion should be **GRANTED** and hereby Orders the following:

All discovery, including this Court's December 19, 2011 Initial Order Regarding Planning and Scheduling, is hereby stayed in the United States District Court for the Eastern District of North Carolina, so that discovery may proceed in this action in the Actos MDL, subject to further proceedings not inconsistent with the Actos MDL upon any remand from the MDL.

SO ORDERED, this 27<sup>th</sup> day of December, 2011.

  
HON. LOUISE W. FLANAGAN  
United States District Court Judge
